

Department of Water Resources
Michael L. Peterson, Director

SACRAMENTO COUNTY
WATER AGENCY

Including service to the Cities of
Elk Grove and Rancho Cordova

October 6, 2022

Dear Sacramento County Water Agency Customer:

As a follow-up to my previous letter, The Board of Directors approved the recommendation to award the Phase 3 Arden Service Area Pipe and Meter Installation Project (Phase 3 Project) to Teichert Construction on September 27, 2022. Therefore, the construction of the Phase 3 Project is expected to begin in November 2022. You will be receiving a postcard in the mail very soon with an invitation to our public presentation on October 19, 2022. The presentation should help you understand the project in more detail and how it will impact your property and neighborhood. The Project team and I will be available for questions after the presentation.

If you have any questions, please contact me at (916) 874-3070 or ArdenServiceMeters@saccounty.net. Please visit our website at www.ArdenServiceMeters.org, under the Phase 3 webpage for the latest project information.

Sincerely,

A handwritten signature in blue ink that reads "Helen Rocha". The signature is fluid and cursive.

*Helen Rocha, P.E.
Associate Civil Engineer*
