

PHASE 1A ARDEN SERVICE AREA

DISTRIBUTION SYSTEM, PIPE REALIGNMENT, AND METER INSALLATION PROJECT

Night crews will be working on Fair Oaks Blvd and Watt Ave between 8:00 PM to 6:00 AM beginning August 6, 2018. Day crews will be installing water mains on residential streets (Drake Circle, Hopkins Rd, Mills Rd) the third week of August between 8:00 AM and 3:30 PM. More updated information can be found on the Project webpage.

SCWA ARDEN SERVICE AREA
PHASE 1A PROJECT BOUNDARY

Helen Rocha, Project Engineer

(916) 874-3070, ArdenServiceMeters@saccounty.net

827 7th Street, Suite 301 ♦ Sacramento, CA 95814

The project will be installing underground water mains and installing new water meters and service lines to SCWA customers along Fair Oaks Blvd, Watt Ave, and along residential streets (Drake Circle, Hopkins Rd, Mills Rd). Watch for detours, reduced speed limits, signage, and lane closures when driving through construction zones.

Stay Informed with construction updates! Sign up to receive emails and/or text messages from the project team. Visit www.SCWA.net, select “Sign Up For Arden Service Area Constuction Updates”.
